ROTORUA, NEW ZEALAND

World-record hunting and fishing
in the heart of New Zealand

Luxury Lodge

Visit Treetops Lodge and experience premier luxury wilderness accommodation and rustic charm surrounded by the wilds of New Zealand. Guests can choose from secluded Villas that are perfect for families, luxury Lodge Rooms situated in the heart of the main lodge, or Pheasant Cottage, which is a great base camp for larger groups. With over 40 miles of walking tracks and countless activities from trail archery to horseback riding, from wild food cooking classes to an indulgent rainforest spa, there is plenty to do for everyone.

Wilderness Estate

Explore 2,500 acres of pristine wilderness, the vision of John Sax, who followed his dream to sculpt the wilds into the ultimate sportsman's playground. Amidst the rolling hills, majestic forests, and native bush you will find herds of wild game and flocks of fowl dotting the landscape, in their natural habitat. This vision meshes with a passion for the land and an abiding commitment to an estate-to-plate ethos, where nothing is wasted and talented chefs craft game from the estate into sensational dining experiences.

Hunting Expertise

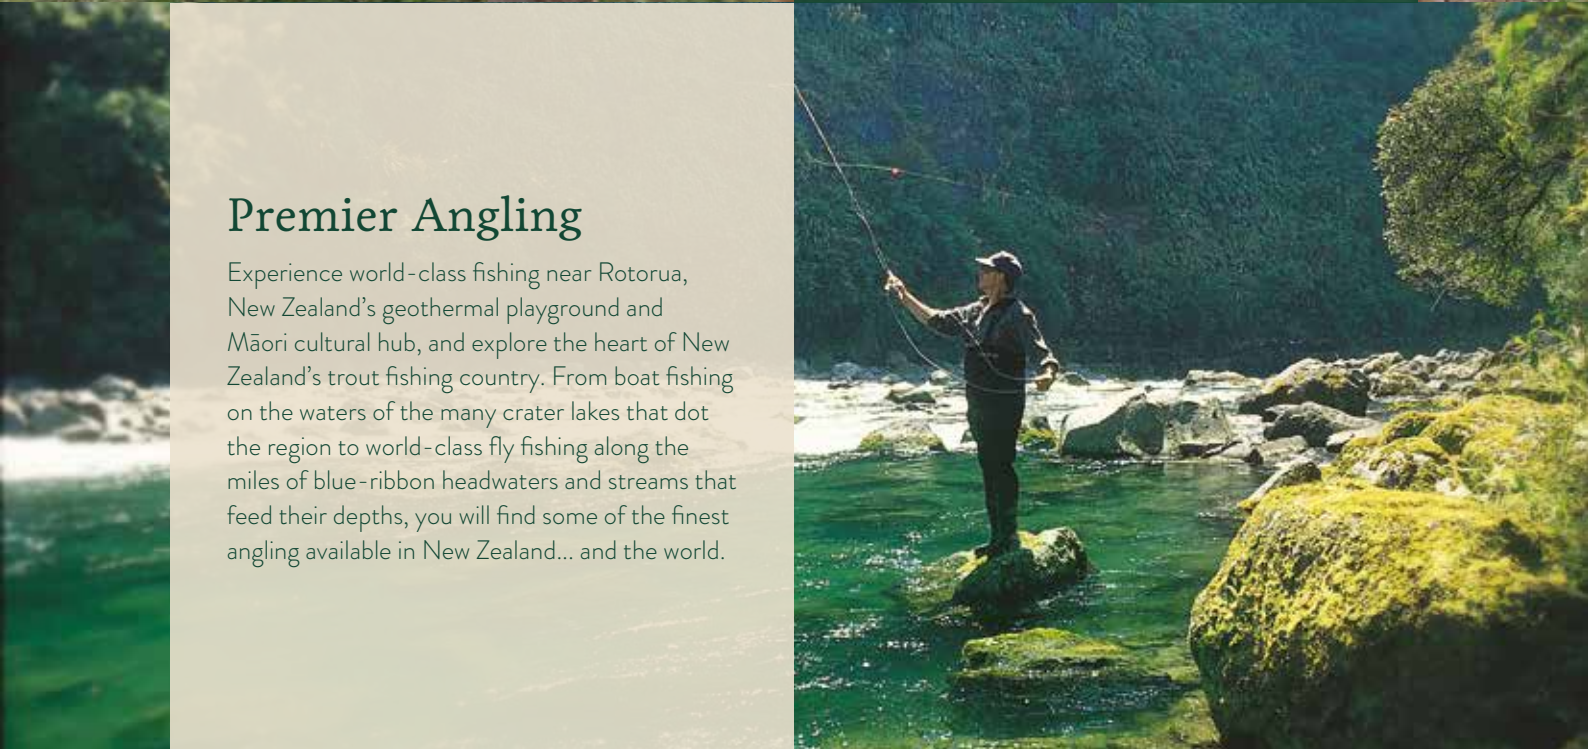

Join Dave Goodman, our knowledgeable Estate Manager and Guide, and head out into the wilderness for a day of hunting and adventure. Accompany him through the wilderness as he draws on a wealth of expertise built from guiding countless hunters to take world-class and world-record trophies, and enjoy a quality hunting experience that is tailored just for you. Succumb to the thrill and let his expertise and years of experience guide you to the perfect hunt.

World-Record Hunting

Find adventure and stalk your prey through acres of pristine hunting wilderness and explore a sportsman's paradise where you are handsomely rewarded with some of New Zealand's finest Sambar and Rusa deer herds which regularly produce world-record trophy animals. Along with these elusive species, you can also find Sika deer, which in New Zealand can only be hunted on the North Island, as well as herds of Red deer, Fallow deer, and Wapiti (Elk) which inhabit the wilds alongside Buffalo, Arapawa Ram, Wild Pigs, Trophy Goats, Pheasant, and Waterfowl.

Premier Angling

Experience world-class fishing near Rotorua, New Zealand's geothermal playground and Māori cultural hub, and explore the heart of New Zealand's trout fishing country. From boat fishing on the waters of the many crater lakes that dot the region to world-class fly fishing along the miles of blue-ribbon headwaters and streams that feed their depths, you will find some of the finest angling available in New Zealand... and the world.

New Zealand Awaits

Discover unique marvels and seek out engaging activities and get a taste of the wonders of New Zealand. Investigate the rolling countryside and rugged coastlines, majestic mountains and sprawling vistas beyond our borders. Immerse yourself in a Maori cultural performance, explore active geothermal features, or engage in the wealth of adventure activities on offer... whatever your passion, enchanting discoveries and new adventures await over every horizon.
